## Who We Are

**We are a not-for-profit community mental health outpatient clinic operated by the WSU Department of Psychology.**

Our mission is fourfold:

- 1) Provide the highest quality training** for our advanced clinical doctoral students as they continue to master evidence-based assessment and psychotherapy practices.
- 2) Provide low-cost, evidence-based** psychological assessment and psychotherapy services for individuals and families in the Pullman, Moscow, and greater Palouse region.
- 3) Promote research** to advance the assessment and treatment of mental disorders across the lifespan.
- 4) Promote and support education** about science-based, cutting-edge, psychological assessment and treatment practices to the broader mental health provider community.
